

Sunflower Quilt Supply List

Sunflower Quilt Fabric and Yardage Chart					
	Wall Quilt	Table Runner	Twin Size	Queen Size	King Size
Approximate Finished Size “Solid” fabric border					
	20 x 28 inches	24 x 72 inches	54 x 84 inches	69 x 84 inches	84 x 84 inches
Petal Fabric Assorted Colors of Fat Quarters	4	4	6	10	11
Background Fabric Includes sashing and Inner Border	1 yard	1¼ yards	2¼ yards	2¾ yards	3½ yards
Green Fabric Includes appliqué pieces and Outer Border	1 yard	1 yard	2 yards	2¼ yards	2½ yards
Black Fabric Flower Center	1/4 yard	1/4 yard	1/2 yard	1/2 yard	1/2 yard
Optional Picket Fence Border Approximate Finished Size & Yardage					
	36 x 48 inches	36 x 84 inches	66 x 96 inches	81 x 96 inches	96 x 96 inches
Additional Assorted Fat Quarters	4	7	10	11	12
Background Fabric	1/2 yard	1 yard	1¼ yards	1¼ yards	1½ yards
Other Fabric Needed					
Binding	1/2 yard	3/4 yard	3/4 yard	1 yard	1 yard
Backing Fabric 40 inch fabric Vertical Seam	1¼ yards	2¾ yards	6 yards	6 yards	6 yards

Sunflower Quilt Supply List

Other things you will need to complete the class project:

Temporary basting spray, any brand will work

Piecing: You will need basic sewing supplies and basic sewing/quilting skills to piece the quilt top.

Thread: Use what ever type of thread you and your machine are comfortable working with. Use as many colors of threads as you want on this quilt. Because this is a "nature inspired" quilt, I used threads that complimented my fabrics. I used a matching beige thread on the background fabric, a green variegated thread in the leaf quilting in the inner border, the flower stems and the appliqué on the leaves, a variegated thread on the flower petals, the picket fence border and the flower centers.

Quilting: The quilting is all done free hand. If you would like to practice your quilting before stitching, I **HIGHLY RECOMMEND** that you get a piece of clear Plexiglas that will fit in the workspace of your quilting machine. (Plexiglas of this size should be about \$10 or less.)

Before using the Plexiglas, take either masking or duct tape (which now comes in many different colors) and place it over the cut edges of your piece of the Plexiglas. The tape serves two purposes. 1) It protects the edges of the Plexiglas. Sometimes the edges can be a little sharp and could scratch you or tear the quilt. 2) The tape will also make a boundary or edge around the Plexiglas. This will prevent you from drawing off the edge of the Plexiglas.

You will then use markers - I recommend the **Vis-a-Vis** markers, available at all "big box" office supply stores, for marking on the Plexiglas. (Note: the Vis-a-Vis markers usually have 4 in a package and cost less than \$10.) The marker is removed using a damp paper towel.

For marking on Plexiglas on top of dark fabric, I have found that the **Expo Bright Markers** work very well.

Both of these markers can be purchased in major office supply stores such as Staples, Office Depot, Office Max, etc. They can also be purchased online.

REMEMBER this is a LEARNING project! This project does not need to be perfect. World peace does not depend on perfect piecing or quilting!!
