Heart Block

All seams are 1/4 inch unless otherwise noted.

On the **WRONG** side of the **Background** fabric 4-1/2 and 2-1/2 inch squares, draw a diagonal line from one corner to the other corner.

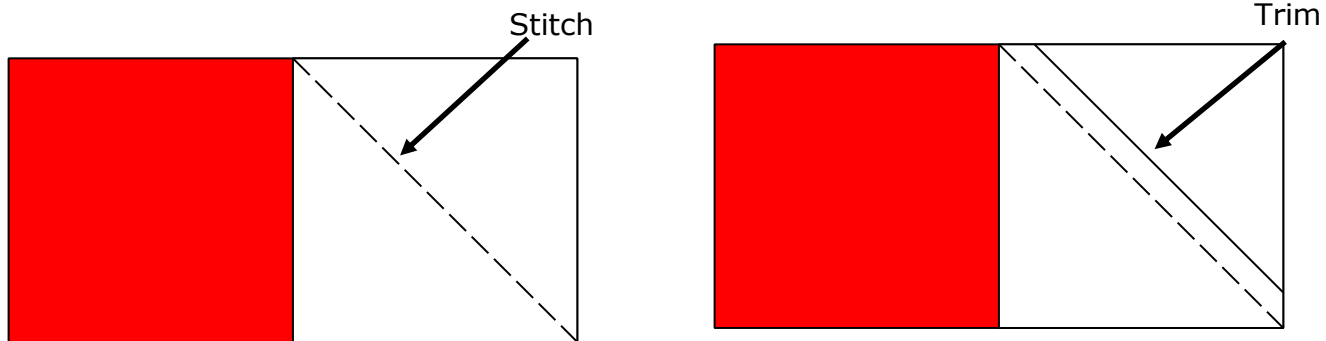

Or, with **WRONG** sides together, fold the square in half along the diagonal. Press a crease along the diagonal fold. The pressed diagonal crease will be your stitching line.

Heart Table Topper

With Right Sides Together (RST) place a marked **Background** fabric 2-1/2 inch square on top of a **Heart** fabric 2-1/2 x 4-1/2 inch rectangle as shown below. Line up the cut edges of these pieces, then stitch along the drawn line / pressed crease.

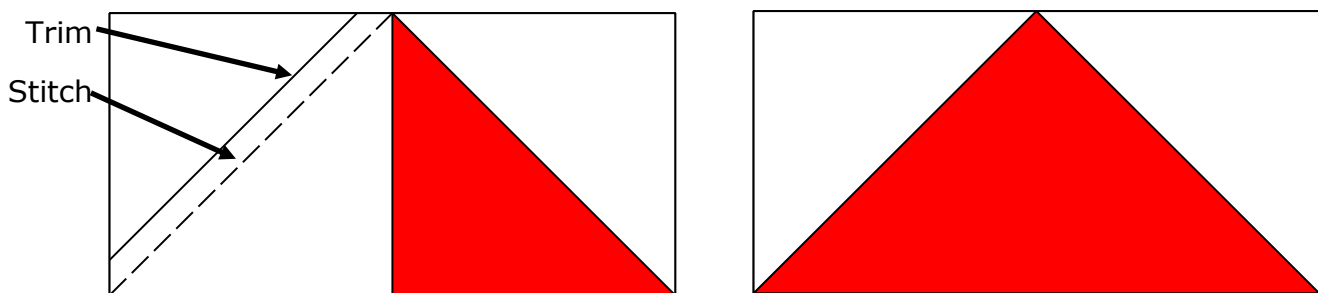

Trim to 1/4 inch away from the stitched line. For easier quilting, **press this seam OPEN!**

Take another **Background** fabric 2-1/2 inch square and place it RST on the other corner of this piece. Stich along the drawn line / pressed crease, then trim and press as you did the other side.

This makes Flying Geese Unit that measures 2-1/2 inches x 4-1/2 inches which includes seam allowance.

Use remaining the remaining 2-1/2 inch **Background** fabric pieces and the 2-1/2 x 4-1/2 inch Heart fabric piece to make 1 more Flying Geese Unit.

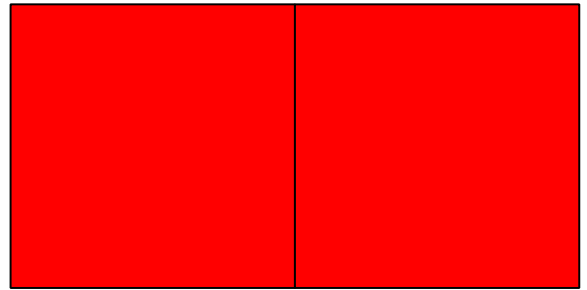

Completed Flying Geese Unit

Make 2

Heart Table Topper

Take 2 of the **Heart** fabric 2-1/2 inch squares and stitch together. Press as desired.

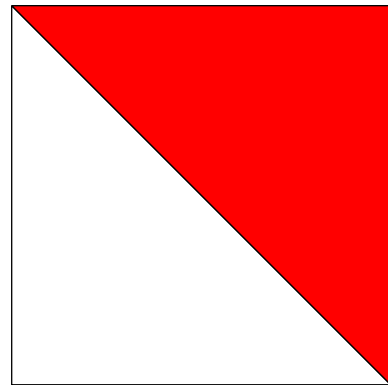

Repeat for the other 2 **Heart** fabric pieces.

With Right Sides Together (RST) place a marked **Background** fabric 4-1/2 inch square on top of a **Heart** fabric 4-1/2 inch square as shown at the right. Line up the cut edges of these pieces, then stitch along the drawn line / pressed crease.

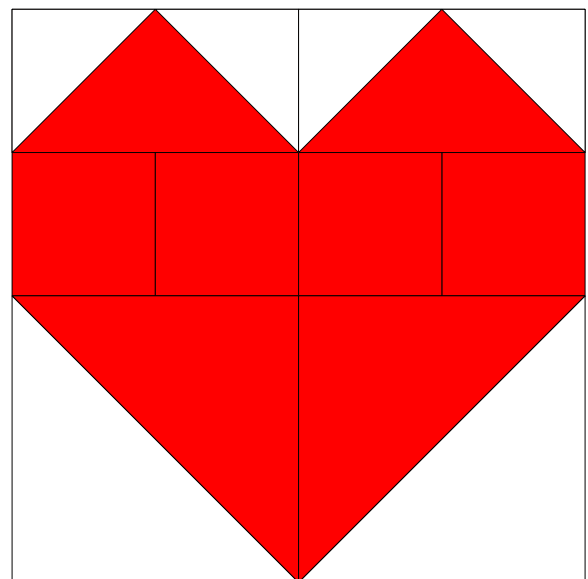

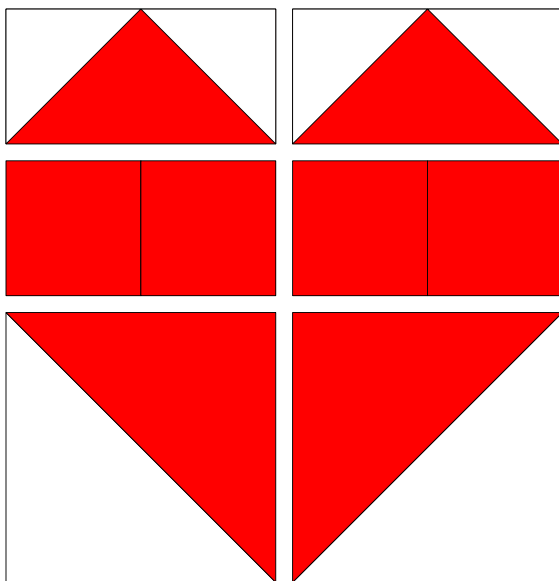

Trim to 1/4 inch away from the stitched line. For easier quilting, **press this seam OPEN!**

Repeat for the remaining 4-1/2 inch **Background** and **Heart** fabric squares.

Take the heart pieces and lay them out exactly as shown below left. Stitch the block together and press as desired.

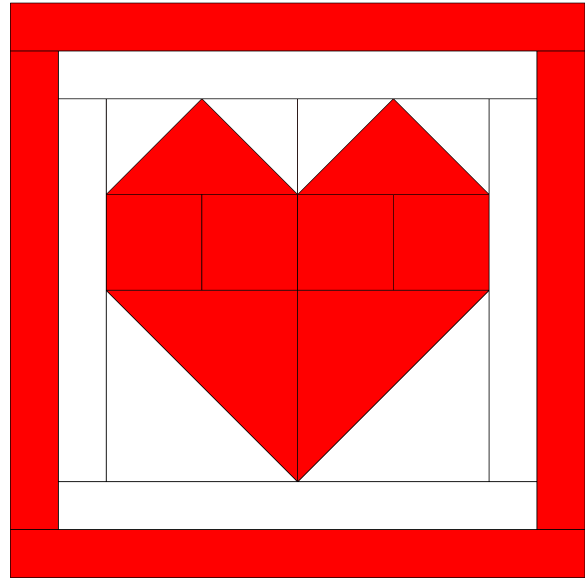

The completed block should measure 8-1/2 x 8-1/2 inches, which includes seam allowances.

Heart Table Topper

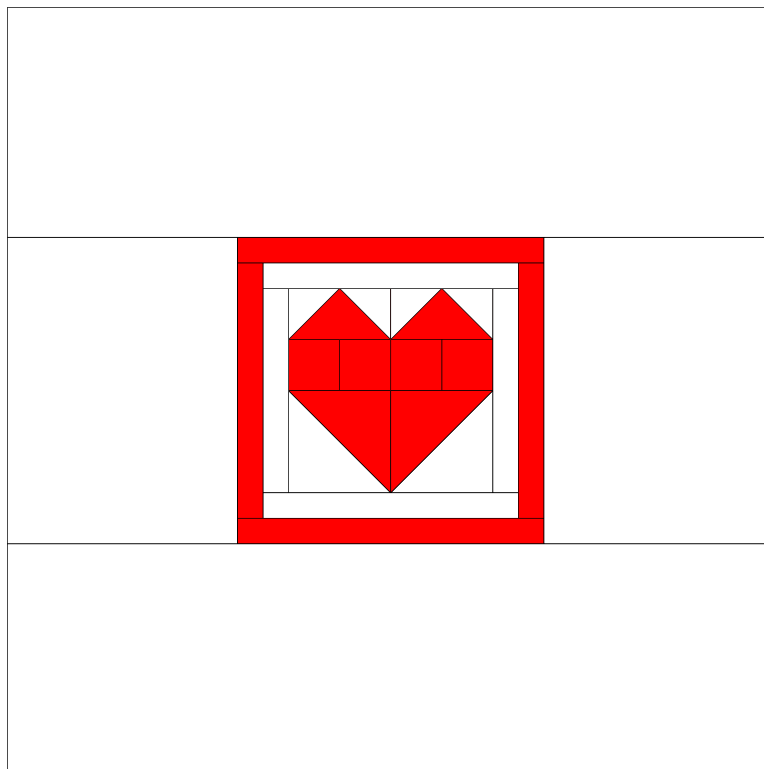

Take the **Block Sashing** and **Inner Border** fabric pieces and stitch them to the Heart block. Press as desired.

The completed block should measure 12-1/2 x 12-1/2 inches, which includes seam allowances.

Take the **Background / Outer Border 9 inch x wof** strips and stitch them to the Heart block in your usual manner. Press as desired.

The completed Table Topper should measure 28-1/2 x 28-1/2 inches, which includes seam allowances and is ready for quilting!
